Application for Membership of the Nelson Marlborough ANI Register

The Nelson Marlborough ANI Register is administered by a collective of three organisations, OneFortyOne, Tasman Pine Forests Ltd and Fire Emergency NZ, that own radio channels operated in this region. Membership of this register entitles you to have the approved radio channels installed by an authorised radio engineer and self-select as many ANI numbers as required.*

Company Name:

Company Contact Person: **Email Address:**

Phone Number: **Reason for requiring access to radio channels:**

Details of radio and user. **(If more than one use second page)**

Radio Type*[1]	User name/callsign /Machine name	Vehicle Rego	Vehicle Make/Model	Mobile Phone Number	Comments/Notes Existing ANI #

*1 Handheld, Vehicle, Machine, Base, Aircraft

Simplex Channels

Tasman Pine

2 ☐ 4 ☐ 46 ☐ 47 ☐ 48 ☐ 49 ☐ 82 ☐ 87 ☐ 83 to 86 ☐

FENZ

Waimea 1 ☐ 1 ☐ 2 ☐ 3 ☐ 4 ☐ 10 ☐ all ☐

The applicant agrees:

1. To ensure all persons who use these radio channels will comply with and observe all statutes, laws and safety codes, and any or all conditions that may be imposed by the owners of the radio channels.

2. To only use authorised radio engineers to program these channels in their radios.*

3. Not to sell or give away any radio programmed with these channels without first having them removed by an authorised radio engineer.*

4. You will Require a permit to access the forest and a prework safety induction.

For OFO - Contact brentsearleltd@gmail.com

For TPFL - Contact R&M Security at admin@remsec.co.nz

5. To maintain the data about the radios and users in this register.

6. Failure to comply with the channel owners conditions may result in removal from the register and you will be required to deprogram those channels from your radio.
